achievements

Dean's List / 2015-2020

Secretary / User Experience Club

IST Ambassador / 2016-2020

experience

UX Designer Innovia CoLabs, LLC

Nov 2020 - Present

Collaborate with a team of contractors and designers to assess and create a global design system for the client's unification goals. Create and iterate on interactive mobile and desktop prototypes for user research involving Sketch, Abstract, and Framer.

Freelance UX Designer Self

Fall 2020

Designed and developed responsive-first, static and dynamic websites from scratch and marketing materials for individual clients and created components to aid their brand identity.

Web Developer RecordsOne, LLC

Summer 2019

Rewrote integration/unit tests for the latest release of the R1 healthcare software version 6.0 involving a UI overhaul and adaptation of new components.

Web Designer RIT MAGIC Spell Studios

Summer 2018

Worked on a custom framework by an RIT professor for the creation of patient case-study websites; adapted to be responsive first with theming and contrast guidelines for accessibility. Project funded by the NIH.

Secretary User Experience Club at RIT

2019-2020

Designed email and social media campaigns for the User Experience Club at RIT. Marketed for upcoming events and recruitment of new club members.

Student Ambassador IST Department at RIT

2016-2020

Planned events, led student tours and information sessions, and acted as a representative for my major in the IST/iSchool Department at RIT.
