projects

Teller

Fall 2019

App Prototype

Worked on a team to develop an app prototype for finance tracking. Utilized contextual inquiries and affinity diagrams to aid design choices and refine working prototypes.

Supplemental Instruction

Spring 2018

App Prototype

Redesigned an existing application for a previous employer, Supplemental Instruction at RIT. Prototype aimed to create a central platform for the SI employees to utilize.

experience

Web Application Developer

Summer 2019

RecordsOne

Worked on updating integration tests for the latest release of the R1 platform for healthcare software solutions.

Web Framework Developer

Summer 2018

RIT MAGIC Spell Studios

Updated templating themes for a custom-made framework to reflect Google's Material Design guidelines. Modified codebase for UI redesign and documentation.

extracurricular

Manager, Overwatch

Fall 2019 - Spring 2020

RIT eSports

Manage the RIT eSports Overwatch competitive divisions; find tournaments and resolve player and team conflicts.

Secretary, UX Club

Fall 2019 - Spring 2020

RIT

Manage social media platforms and online presence of the User Experience Club @ RIT.
